#### II. PROJECT DATA

# F. Project Narrative

1. Describe the project in detail, emphasizing the following:

A. Specific operations of the company to be conducted at the project premises (product manufactured/warehoused, services rendered)

B. Proposed product lines and market demands

C. Need for the new facility

- D. Square footage of the old facility
- E. Square footage of the new facility
- F. Type of building to be constructed
- G. Major equipment to be purchased

A) wholesale distribution of food, equipment and supplies for the foodservice industry.

The will be expanding all our lines, specifically an expanded line of fresh, frozen and dry food products.

Dour business has grown over the years and we have outgrown our facility. We needed to either expand or relocate, we decided to purchase extraland and expand our current operations.

So Footage - 49,386 saft - old facility

So Footage - 72,545 saft - new facility

Masonary walls over steel structure

Refrigeration equipment, storage racking, truck dock equipment

- 2. For pollution controls, also describe:
  - A. Type of pollution to be abated
  - B. Method of abatement
  - C. Existing orders of environmental agencies

#### VI. CERTIFICATIONS

## A. Applicant Responsibilities

SLIAN E. EMMENT (name of representative of entity submitting application or name of individual submitting application) deposed and says that s/he (choose and complete one of the following two options) (a) is a/the CHEF FINANCIAL OFFICE (title) of (company name), the entity named in the attached application, or (b) is the individual named in the attached application; that s/he has read the foregoing application and knows the contents thereof; and that the same is true of his/her knowledge.

Deponent further says that s/he is duly authorized to make this certification on behalf of her/himself or on behalf of the entity named in the attached application. The grounds of deponent's belief relative to all matters in said application which are not stated upon his/her own personal knowledge are investigations which deponent has caused to be made concerning the subject matter of this application as well as, if deponent is not an individual applicant, information acquired by deponent in the course of his/her duties in connection with said entity and from the books and papers of said entity.

As (a) the representative of said entity, or (b) the individual applicant (such entity or individual applicant hereinafter referred to as the "Applicant"), deponent acknowledges and agrees that the Applicant shall be and is responsible for all costs incurred by the Town of Islip Industrial Development Agency (hereinafter referred to as the "Agency"), acting on behalf of the Applicant in connection with this application and all matters relating to the provision of financial assistance to which this application and all matters relating to the provision of financial assistance to which this application relates. If, for any reason whatsoever, the Applicant fails to conclude or consummate necessary negotiations or fails to act within a reasonable or specified period of time to take reasonable, proper or requested action or withdraws, abandons, cancels or neglects the application, then upon presentation of an invoice, the Applicant shall pay to the Agency, its agents or assigns, all actual costs incurred with respect to the application up to that date and time, including fees to transaction counsel for the Agency and fees of general counsel for the Agency. Upon the successful conclusion of the transaction contemplated herein, the Applicant shall pay to the Agency an administrative fee set by the Agency, in accordance with its fee schedule in effect on the date of the foregoing application, which amount is payable at closing.

#### VI. CERTIFICATIONS

#### B. Fee Structure

I. Application Fee-\$1,000.

An application for IDA assistance must be accompanied by a non-refundable fee of \$1,000 a \$500 fee for the Town of Islip review of an Environmental Assessment Form as required by the State Environmental Quality Review Act (SEQRA). (The \$500 fee will be waived if the applicant's project has already undergone a SEQRA review during a previous process, i.e. site plan, building permit, change of zone, etc.)

2. Agency Fee-.oo6

Upon closing of any IDA project, the Agency will assess a fee of 6/10 of one per cent (60 basis points) against the size of the project. For IDB projects, the .006 will be measured against the final bond amount. For straight-lease transactions, the .006 will be measured against the projected total costs.

3. Agency Counsel-\$250 per hour

The Town of Islip Town Attorney's Office acts as counsel to the Town of Islip IDA and must be reimbursed for time spent on IDA-related transactions. The Agency counsel bills all time spent on IDA matters at \$250 per hour. For IDA closings up to \$5 million, the Agency counsel bills a minimum of \$3,500. For projects greater than \$5 million, the Agency counsel bills a minimum of \$5,000. For all other activities, i.e. terminations, simple consents and waivers, transfer of assets, etc., the Agency counsel will bill at the aforementioned \$250 per hour.

4. Processing Fee-\$500

During the course of IDA ownership/involvement, the Agency may occasionally be required, by the company, to consent to a variety of items, i.e. pre-payment of bonds, second mortgages, additional secured financing, etc. The Agency will charge a \$500 processing fee for each of these requests.

5. Assignments & Assumptions-\$1,500

Occasionally, the IDA is asked to transfer benefits that were assigned to the original company, i.e. PILOT or mortgage recording tax benefits, to a different company, typically upon a sale of the IDA property. The new company often wishes to continue IDA involvement with the property in order to retain the IDA incentives. The Agency will charge a \$1,500 fee for each of these transactions.

6. PILOT Extensions/Modifications-.006

Occasionally, the Agency is asked to extend or modify an existing Payment In Lieu of Taxes Agreement (PILOT). The oo6 will be measured against the projected increase of the PILOT benefit.

7. Annual Administrative Fee - \$1,000

An Annual Administrative Fee of \$1,000 will be charged to all projects to cover the cost of all reporting and monitoring of the transaction. This fee is subject to periodic review and may be adjusted at the discretion of the Agency.

8. Bond/Transaction Counsel-fee negotiated separately

While the Town of Islip IDA is represented locally by the Town of Islip Town Attorney's Office, a separate Bond/Transaction Counsel is also necessary on any IDA project. Bond/Transaction counsels render "third party" opinions that the bond or straight lease transaction is authorized under all federal, state and local statutes. Bond/Transaction counsel also prepares all documents related to IDA transactions and coordinates all activities leading up to closing. The Town of Islip IDA has designated the firm of Nixon Peabody, LLP as its Bond/Transaction counsel and all fees are separately negotiated with them.

I have read and understand the aforementioned explanation of the fees associated with all Town of Islip Industrial Development Agency Transactions.
