(b) The Facility constitutes a “project”, as such term is defined in the Act; and

(c) The acquisition, demolition, construction and equipping of the Facility and the leasing of the Facility to the Company, will promote and maintain the job opportunities, health, general prosperity and economic welfare of the citizens of Town of Islip, and the State of New York and improve their standard of living and thereby serve the public purposes of the Act; and

(d) The acquisition, demolition, construction and equipping of the Facility is reasonably necessary to induce the Company to maintain and expand its business operations in the State of New York; and

(e) Based upon representations of the Company and counsel to the Company, the Facility conforms with the local zoning laws and planning regulations of the Town of Islip, Suffolk County, and all regional and local land use plans for the area in which the Facility is located; and
(f) It is desirable and in the public interest for the Agency to lease the Facility to the Company; and

(g) The Company Lease will be an effective instrument whereby the Agency leases the Land and the Improvements from the Company; and

(i) The Loan Documents to which the Agency is a party will be effective instruments whereby the Agency and the Company agree to secure the Loan made to the Company by the Lender.

Section 3. The Agency has assessed all material information included in connection with the Company’s application for financial assistance, including but not limited to, the cost-benefit analysis prepared by the Agency and such information has provided the Agency a reasonable basis for its decision to provide the financial assistance described herein to the Company.
