Duro Dyne National Chapter 11, Section 524(g) Restructuring

On September 7, 2018 Duro Dyne National and its wholly owned subsidiaries (the “Company”) initiated a Chapter 11 restructuring to address legacy asbestos related liabilities dating back to the late 1970s-early 1980s. The case was filed in the District of New Jersey.

The purpose of the restructuring is solely to create an asbestos trust for the benefit of any existing and potential future claimants that assert they have developed mesothelioma-related injuries as a result of the company’s products. Upon emergence from bankruptcy, all asbestos-related claims will be channeled to the trust.

The bankruptcy court entered an order allowing the Company to pay all prepetition obligations in the ordinary course. The underlying business of the Company has been largely unaffected by the restructuring process. The Company has paid all prepetition trade claims, and continues to supply its customers as usual.

B. Fee Structure

1. Application Fee—\$1,000.00

An application for IDA assistance must be accompanied by a non-refundable fee of \$1,000 plus a \$500 fee for the Town of Islip review of Environmental Assessment Form as required by the State Environmental Quality Review Act (SEQRA). (The \$500 fee will be waived if the applicant's project has already undergone a SEQRA review during a previous process, i.e. site plan, building permit, change of zone, etc.)

2. Agency Fee—.006 (for low-cost project, there will be a minimum fee of \$5,000)

Upon closing of any IDA project, the Agency will assess an administrative fee of one-half of a basis point (.006) against the size of the project. For IDB projects, the .006 will be measured against the final bond amount. For straight-lease transactions, the .006 will be measured against the projected total costs.

3. Agency Counsel—\$250 per hour

The Town of Islip Town Attorney's Office acts as counsel to the Town of Islip IDA and must be reimbursed for time spent on IDA-related transactions. The Agency counsel bills all time spent on IDA matters at \$250 per hour. For IDA closings up to \$5 million, the Agency counsel bills a minimum of \$3,500. For projects greater than \$5 million, the Agency counsel bills a minimum of \$5,000. For all other activities, i.e. terminations, simple consents and waivers, transfer of assets, etc., the Agency counsel will bill at the aforementioned \$250 per hour.

4. Processing Fee—\$500

During the course of IDA ownership/involvement, the Agency may occasionally be required, by the company, to consent to a variety of items, i.e. pre-payment of bonds, second mortgages, additional secured financing, etc. The Agency will charge a \$500 processing fee for each of these requests.

5. Assignments & Assumptions—\$1,500

Occasionally, the IDA is asked to transfer benefits that were assigned to the original company, i.e. PILOT or mortgage recording tax benefits, to a different company, typically upon a sale of the IDA property. The new company often wishes to continue IDA involvement with the property in order to retain the IDA incentives. The Agency will charge a \$1,500 fee for each of these transactions.

6. PILOT Extensions/Modifications—.006

Occasionally, the Agency is asked to extend or modify an existing Payment in Lieu of Taxes Agreement (PILOT). The .006 will be measured against the projected increase of the PILOT benefit.

7. Annual Administrative Fee— \$1,000

An Annual Administrative Fee of \$1,000 will be charged to all projects to cover the cost of all the reporting and monitoring of the transaction. This fee is subject to periodic review and may be adjusted at the discretion of the Agency.

8. Bond/Transaction Counsel—fee negotiated separately

While the Town of Islip IDA is represented locally by the Town of Islip Town Attorney's Office, a separate Bond/Transaction Counsel is also necessary on any IDA project. Bond/Transaction counsels render "third party" opinions that the bond or straight lease transaction is authorized under all federal, state and local statutes. Bond/Transaction counsels also prepare all documents related to IDA transactions and coordinates all activities leading up to closing. The Town of Islip IDA has designed the firm of Nixon Peabody, LLP as its Bond/Transaction counsel and all fees are separately negotiated with them.

I have read and understand the aforementioned explanation of the fees associated with all the Town of Islip Industrial Agency Transaction.

SCHEDULE C

For the purposes of this policy, the term "Financial Assistance" shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency's participation in the transaction contemplated by the Project Agreements including, but not limited to:

The percentage of such Financial Assistance to be recaptured shall be determined by the provisions of the Project Documents.

All recaptured amounts of Financial Assistance shall be redistributed to the appropriate affected taxing jurisdiction, unless agreed to otherwise by any local taxing jurisdiction.

For the avoidance of doubt, the Agency may determine to terminate, suspend and/or recapture Financial Assistance in its sole discretion. Such actions may be exercised simultaneously or separately and are not mutually exclusive of one another.

III. Modification of Payment In Lieu of Tax Agreement

In the case of any Event of Default or Recapture Event, in lieu of terminating, suspending or recapturing the Financial Assistance, the Agency may, in its sole discretion, adjust the payments in lieu of taxes due under the Project Agreements, so that the payments in lieu of taxes payable under the Project Agreements are adjusted upward retroactively and/or prospectively for each tax year until such time as the Applicant has complied with the provisions of the Project Agreements.
