Re: Tensator Inc.

Proposed 10 year Lease Extension  
and associated Capital Investments  
260 Spur Drive South, Bay Shore NY

Applicants: BDG Bay Shore, LLC and Tensator Inc.

Dear Mr. Mannix:

Please be advised that this firm is assisting BDG Bay Shore, LLC and Tensator Inc. ("Tensator") in connection with the above referenced proposed IDA project. Enclosed please find the executed Application for Financial Assistance for BDG Bay Shore, LLC and Tensator. In addition, I have enclosed a check in the amount of $1,000 as payment of the Application Fee.

Tensator is a manufacturer of state-of-the-art architectural metal products, including stanchions, railings, crowd control and customer guidance products and has also developed a market leading electronic queue management system which is receiving huge interest in the US. Tensator is currently a tenant at the above premises but its lease expires in January 2018.

Tensator is a growing company, with projected sales of $16.4M for 2017, growing to $17.5M for 2018, and $18.5M for 2019. It currently employs 64 employees and, with the IDA’s assistance, projects growing that employment by approximately 10% over the next 2 years.

With the IDA’s assistance, Tensator is looking to extend its tenancy for another 10 years at its current Islip location.

As part of this proposed lease extension there will be an initial capital investment in the project of $1.45M in 2018 with Tensator planning a further $400k each in 2019 & 2020. These capital

EXHIBIT A

Proposed PILOT Schedule

Upon acceptance of the Application and completion of the Cost Benefit Analysis, the Agency will attach the proposed PILOT Schedule, together with the estimates of net exemptions based on estimated tax rates and assessment values to this Exhibit.
SCHEDULE A

Agency’s Fee Schedule

1. Application Fee—$1,000.00
   An application for IDA assistance must be accompanied by a non-refundable fee of $1,000 plus a $500 fee
   for the Town of Islip review of Environmental Assessment Form as required by the State Environmental
   Quality Review Act (SEQRA). (The $500 fee will be waived if the applicant’s project has already
   undergone a SEQRA review during a previous process, i.e. site plan, building permit, change of zone, etc.)

2. Agency Fee—.006
   Upon closing of any IDA project, the Agency will assess an administrative fee of one-half of a basis point
   (.006) against the size of the project. For IDB projects, the .006 will be measured against the final bond
   amount. For straight-lease transactions, the .006 will be measured against the projected total costs.

3. Agency Counsel—$250 per hour
   The Town of Islip Town Attorney’s Office acts as counsel to the Town of Islip IDA and must be
   reimbursed for time spent on IDA-related transactions. The Agency counsel bills all time spend on IDA
   matters at $250 per hour. For IDA closings up to $5 million, the Agency counsel bills a minimum of
   $3,500. For projects greater than $5 million, the Agency counsel bills a minimum of $5,000. For all other
   activities, i.e. terminations, simple consents and waivers, transfer of assets, etc., the Agency counsel will
   bill at the aforementioned $250 per hour.

4. Processing Fee—$500
   During the course of IDA ownership/involvement, the Agency may occasionally be required, by the
   company, to consent to a variety of items, i.e. pre-payment of bonds, second mortgages, additional secured
   financing, etc. The Agency will charge a $500 processing fee for each of these requests.

5. Assignments & Assumptions—$1,500
   Occasionally, the IDA is asked to transfer benefits that were assigned to the original company, i.e. PILOT
   or mortgage recording tax benefits, to a different company, typically upon a sale of the IDA property. The
   new company often wishes to continue IDA involvement with the property in order to retain the IDA
   incentives. The Agency will charge a $1,500 fee for each of these transactions.

6. PILOT Extensions/Modifications—.006
   Occasionally, the Agency is asked to extend or modify an existing Payment in Lieu of Taxes Agreement
   (PILOT). The .006 will be measured against the projected increase of the PILOT benefit.

7. Annual Administrative Fee— $1,000
   An Annual Administrative Fee of $1,000 will be charged to all projects to cover the cost of all the
   reporting and monitoring of the transaction. This fee is subject to periodic review and may be adjusted at
   the discretion of the Agency.

8. Bond/Transaction Counsel—fee negotiated separately
While the Town of Islip IDA is represented locally by the Town of Islip Town Attorney’s Office, a separate Bond/Transaction Counsel is also necessary on any IDA project. Bond/Transaction counsels render “third party” opinions that the bond or straight lease transaction is authorized under all federal, state and local statutes. Bond/Transaction counsels also prepare all documents related to IDA transactions and coordinates all activities leading up to closing. The Town of Islip IDA has designed the firm of Nixon Peabody, LLP as its Bond/Transaction counsel and all fees are separately negotiated with them.

I have read and understand the aforementioned explanation of the fees associated with all the Town of Islip Industrial Agency Transaction.

SCHEDULE C

Agency’s Recapture and Termination Policy
TOWN OF ISLIP
INDUSTRIAL DEVELOPMENT AGENCY
EFFECTIVE JUNE 7, 2016

Pursuant to Sections 874(10) and (11) of Title 1 of Article 18-A of the New York State General Municipal Law (the “Act”), the Town of Islip Industrial Development Agency (the “Agency”) is required to adopt policies (i) for the discontinuance or suspension of any financial assistance provided by the Agency to a project or the modification of any payment in lieu of tax agreement and (ii) for the return of all or part of the financial assistance provided by the Agency to a project. 5) A material misrepresentation contained in the application for Financial Assistance, any Project Agreements or any other materials delivered pursuant to the Project Agreements.

The decision of whether to terminate or suspend Financial Assistance and the timing of such termination or suspension of Financial Assistance shall be determined by the Agency, in its sole discretion, on a case-by-case basis, and shall be subject to the notice and cure periods provided for in the Project Documents.

For the purposes of this policy, the term “Financial Assistance” shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency’s participation in the transaction contemplated by the Project Agreements including, but not limited to:
(i) any exemption from any applicable mortgage recording tax with respect to the Facility on mortgages granted by the Agency on the Facility at the request of the Applicant;

(ii) sales tax exemption savings realized by or for the benefit of the Applicant, including and savings realized by any agent of the Applicant pursuant to the Project Agreements in connection with the Facility; and

(iii) real property tax abatements granted under the Project Agreements.

II. **Recapture of Financial Assistance**

The Agency, in its sole discretion and on a case-by-case basis, may determine (but shall not be required to do so) to recapture all or part of the Financial Assistance provided to a project upon the occurrence of a Recapture Event, as such term is defined and described in the Project Documents. Such Recapture Events may include, but shall not be limited to the following:

1) Sale or closure of the Facility (as such term is defined in the Project Documents);
2) Failure by the Applicant to pay or cause to be paid amounts specified to be paid pursuant to the Project Documents on the dates specified therein;
3) Failure by the Applicant to create and/or maintain the FTEs as provided in the Project Documents;
4) A material violation of the terms and conditions of the Project Agreements; and
5) A material misrepresentation contained in the application for Financial Assistance, any Project Agreements or any other materials delivered pursuant to the Project Agreements.

The timing of the recapture of the Financial Assistance shall be determined by the Agency, in its sole discretion, on a case-by-case basis, and is subject to the notice and cure periods provided for in the Project Documents. The percentage of such Financial Assistance to be recaptured shall be determined by the provisions of the Project Documents.

All recaptured amounts of Financial Assistance shall be redistributed to the appropriate affected taxing jurisdiction, unless agreed to otherwise by any local taxing jurisdiction.

For the avoidance of doubt, the Agency may determine to terminate, suspend and/or recapture Financial Assistance in its sole discretion. Such actions may be exercised simultaneously or separately and are not mutually exclusive of one another.

III. **Modification of Payment In Lieu of Tax Agreement**

In the case of any Event of Default or Recapture Event, in lieu of terminating, suspending or recapturing the Financial Assistance, the Agency may, in its sole discretion, adjust the payments in lieu of taxes due under the Project Agreements, so that the payments in lieu of taxes payable under the Project Agreements are adjusted upward retroactively and/or prospectively for each tax year until such time as the Applicant has complied with the provisions of the Project Agreements. The amount of such adjustments shall be determined by the provisions of the Project Documents.
